

Change of Grade for Incomplete Research Training Unit

Student Name: _____ Student No: _____

MQ student email address _____

Unit Code: _____

Unit Name _____

Year of enrolment in Unit: _____ INT 1, INT2 INT3 (**circle one**)

The Department requires all students enrolled in the PhD or PhD/Master of Psychology awards to enrol in four Research Training Units to acquire the practical and scholarly skills and competencies required to complete a PhD program. As you meet the requirements for each unit, please complete this form and return to Postgraduate Officer (Research)

Concurrent enrolment in these units is permitted.

NB You must attach a copy of your “Enrolment & Registration Advice” (via estudent)

PSY 907: Research Training 1 formalises the type of training a doctoral research candidate is expected to acquire during their candidature. Enrolment in this unit is compulsory. Satisfactory completion of this unit involves:

- Successful completion of training courses on use of information technology for information access (WWW, Current Contents, Library CD-ROM network and remote-access catalogue, etc);
- Attendance at the Central Commencement Program
- Attendance at the Faculty Commencement Program
- Submission of a research plan and brief literature review to the supervisor;
- Attendance at research seminars

PSY 908: Research Training 2 (Year 2). The completion requirements are:

- Presentation of an external conference paper or submission of a journal article;
- Attendance at Departmental colloquia and research meetings
- Attendance at the Faculty Showcase
- Joining a professional/scholarly association in research area

PSY 909: Research Training 3 (Year 3). The completion requirements are:

- Preparation of research grant application using the Macquarie University Postgraduate Research Fund Grant application form
- Attendance at Departmental colloquia and research meetings
- Attendance and participation at the Faculty Showcase

PSY 910: Research Training 4 (Year 4). The completion requirements are:

- Presentation of an external conference paper or submission of a journal article;
- Attendance at Departmental colloquia and research meetings
- Attendance and participation at the Faculty Showcase
- Attach final HDRG report http://www.psy.mq.edu.au/courses/pdf/final_report.pdf.
